

Interested in learning Spanish?

Take an online Spanish class with Berlitz through the ITCAP Program. In just a few weeks, you will learn Spanish in a fun and energetic immersion course. No hours spent conjugating verbs here – you will be speaking Spanish from day one!

How is the class conducted?

- ◆ **All classes are instructor-led;** the only difference is whether the instructor is in the room or online in the Berlitz Virtual Classroom (BVC). Class activities, participation, and learning methods are exactly the same.
- ◆ Classes will be small with highly trained, native-fluent instructors. You will get plenty of individual attention.
- ◆ You will be grouped with other individuals with language skills and experience similar to your own. You can pick the class schedule that meets your needs.
- ◆ Instruction is based on the highly effective Berlitz Method®, which uses a conversational style to immerse you in Spanish, making learning fast and easy.

What's included with the course?

- ◆ Text book
- ◆ CDs
- ◆ Headset with microphone

How long does each class last, and when will it meet?

- ◆ Classes begin monthly and many schedules are available.
- ◆ Classes meet for 12 weeks, 2 times per week for 90 minutes each session.

How will your grade be calculated?

- ◆ To be eligible for a passing grade, you must attend at least 80% of the class sessions.
- ◆ Your grade will be calculated as follows:
 - Oral Achievement Check (75%)
 - Written Evaluation (Final exam 25%)
- ◆ You must earn at least a C (70%) or above.
- ◆ To advance to the next level language class, you must earn an A or B. If you earn a lower grade, you can repeat the class for free, space available, by the end of the next quarter.
