

Medical Career Opportunities

Employment opportunities for medical and health information technicians are growing by 40% per year, and

WE HAVE THE PROGRAMS YOU NEED TO SUCCEED!

- **Medical Administrative Specialist (MAS)**

Medical Administrative Specialists perform a range of non-clinical tasks to keep hospitals, clinics & healthcare/medical offices running smoothly.

- **Medical Transcriptionist (MT)**

Medical Transcriptionists create legal documents relied upon by healthcare professionals.

- **Medical Coding Associate (MCA)**

Health information coding is the transformation of verbal descriptions of diseases, injuries and procedures into numeric or alphanumeric designations.

- **Medical Reimbursement Specialist (MRS)**

The MRS prepares students for Medical Reimbursement Specialist, Patient Accounts Representative, and similar medical career positions.

- **Pharmacy Technician (PT)**

Pharmacy Technicians assist pharmacists in filling prescriptions, compounding medications, assisting patients and ordering supplies.

Courses combine convenient online learning with instructor-guided activities.
